WESTERVILLE PUBLIC LIBRARY

## STAFF CHANGES!!!!

As many of you know, Michael Newsome has made a career change and will be spending his days in the Youth Services department. We will all miss him and we wish him the best of luck in his new position.

Keith Rupp is now our full-time Outreach Associate. He has helped on deliveries during the summer months and is already familiar with our routes and our patrons.

As a result of the change in Keith's duties, we have a new member of the Outreach staff. Thomas Sharpe has assumed the duties of our Library Link representative.

Library Link is the delivery service we offer to the Westerville Public schools as well as three private schools within the district. We are very happy to have Thomas be a part of our Outreach family.
